APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that the applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Three $\frac{2}{10}$ cubic feet per second. (3.2)

Actual construction work shall begin on or before June 22, 1918.

Proof of commencement of work shall be filed before July 22, 1918.

Work must be prosecuted with reasonable diligence and be completed on or before June 22, 1920.

Proof of completion of work shall be filed before July 22, 1920.

Application of water to beneficial use shall be made on or before

June 22, 1924. Proof of the application of water to beneficial

use must be filed with State Engineer on or before July 22, 1924.

WITNESS MY HAND AND SEAL this 22nd day

of April, 1918.
